Forecast for Thursday 03 Nov 2022

Weather: Showery conditions continuing through the morning although showers may become less frequent by lunchtime. One or two showers may be heavy with some thunder. Showers easing in the afternoon and winds becoming lighter too but remaining largely cloudy.

Chance of cloud-free hill tops above 800m: 60% rising to 90%, some low cloud in showers.

Low cloud and visibility: Visibility will be good outwith showers but falling poor temporarily in heavier showers, becoming very good in the afternoon. Periods of scattered cloud around the fell tops in the morning, with cloud layers above 600m but this should be temporary with showers moving through quite quickly. Just a few patches lingering in the afternoon mainly around southern fells.
